Hi Mike,

We've reviewed your amendment request, and will be sending an approval letter to Redmond Minerals, conditionally approving the text portion of the Notice and requiring that the maps be updated by 2019 or at the time of the next amendment. The conditions will be clearly stated in the letter. One that comes to mind offhand is that you provide the signed signature page, but there will be others. Let us know if you have any questions.

Thanks.

Peter
